

CALL FOR PAPERS

LIV Meeting Società Italiana di Elettronica

SCOPE AND TOPICS

SIE-2023, the 54th Annual Meeting of the Associazione Società Italiana di Elettronica (SIE), will be held in Noto (SR), Italy, from September 6 to 8, 2023. An International Graduate School for PhD students in Electronics is also organized by SIE and will be held in Messina, from September 4 to 6, 2023. The SIE-2023 Annual Meeting will include invited lectures involving experts on state-of-the-art topics, oral sessions, round tables, video presentations, with the goal of complementing the regular program with emerging topics of particular interest to the Italian and European Electronics community.

Two typologies of three-page abstracts can be submitted:

- a) review contributions, highlighting already presented results;
- b) original contributions with significant novel results.

Authors of selected original contributions will be asked to submit an extended version to IEEE Access and, in case of acceptance, SIE will cover the publication fee.
